HEPTASOPHS.

At the last meeting of Norwich con-clave. No. 424, the chief matter for consideration was the changes which were liable to be made at the supreme were liable to be made at the supreme conclave in Sarátoga during the week of June 8th. Past Archon J. T. Carey is the local delegate, and he received his credentlals at that time. The opinion of the various members was openly expressed, but Delegate Carey was not tied down to any set line of conduct for the occasion, the unanimous opinion being that the delegate had ample power and ability to act for the hest interests of the order at large. Next fail the election of district deputhe best interests of the order at large.
Next fall the election of district deputies takes place, and as Norwich conclave has not been represented in that line it is expected that some change will be made which will be include one of this conclave's members on the ticket.

As most of the meaning the delegate Queen Alexandra's wishes, being converted into a beautiful flower garden, which is being laid out by her majesty's own designs. Scores of workmen are engaged on it, so that it will be in full beauty this summer.

The sum of these estimates is equal to about 1½ mills on the grand list. The Committee recommend that the warning for the next annual City Meeting Include the last named estimates and a call for action thereon.

At a City Meeting held March 25, 1909, the Court of Common Council was authorized to appropriate from the City Treasury such an amount not exceeding \$20,000 as may be necessary to pay the expenses for erecting a new dam and appurtenances at Meadow Brook and of acquiring lands, rights and other property necessary for conservation of the water supply, but the resolution adopted at said meeting did not previde the method of raising the sums necessary for such expenditure.

Your Committee recommend that insended and addition to the water supply, the expense thereof should not be included in the ordinary expenses of the current year, and your Committee recommend that the warning for the next annual City Meeting abail include a proposition authorizing the borrowing of such funds upon the notes of the City payable in four equal annual installments and that the same be liquidated from the receipts of the water department.

Under an set of the General Assembly approved June 12, 1907, the County Commissioners, the Mayor of the City and the Selectmen of the Town of Norwich were constituted a Board for the erection of the addition to the Court House in Norwich and were authorized to borrow such sum as might be necessary for the erection of such addition and to execute notes for the sum so borrowed, which notes shall be binding and collatory upon the County of New London, the Town of Norwich and the repetition of such addition and it is desirable that the joint obligation so created should be repinced by separate obligations for the proportion of the Adut to be the sum of \$10,000.

Your Committee therefore, recommend that there shall be included in Your own Combings made up. Hair Ornaments, Toilet Requisites, Chiropody, Manicuring, Shampooing, Face and Scalp Massage.
